<p>Use of Marijuana for Certain Medical Conditions</p> <p>Allows the medical use of marijuana for individuals with debilitating diseases as determined by a licensed Florida physician. Allows caregivers to assist patients' medical use of marijuana. Does not authorize violations of federal law or any non-medical use, possession or production of marijuana.</p> <p>Increased costs from this amendment to state and local governments cannot be determined. There will be additional regulatory and enforcement activities associated with the production and sale of medical marijuana. Fees will offset at least a portion of the regulatory costs.
