In District 3 of approximately \$1.06 per year per \$1,000.00 of assessed taxable value of real property to purchase one rescue-pumper combination vehicle and associated and/or related equipment and to construct one additional garage bay the final vote was 60 Yes and 60 No for a total of 120 votes cast. To break the tie vote Florida Statute 100.101; ie General Election laws applicable to Special Elections and Statute 100.091 paragraph 3; such persons shall draw lots to determine who shall receive the nomination was used for the tie breaker. Two voters from District 3 drew the "lots" as requested by the canvassing board which determined that officially the NO vote won.
